CHICAGO - April 27, 2021 – [Calamos Investments](https://www.calamos.com), a leading global asset manager, has signed a multiyear lease for the top floors of Fulton East, an innovative new building at 215 N. Peoria Street, situated in Chicago’s vibrant Fulton Market area. The announcement was made by John Koudounis, Calamos President and CEO. Calamos’ new location will be an addition to the firm’s headquarters campus in Naperville. The downtown location will deepen the firm’s existing ties to the city, broaden access to potential business partners and clients, and diversify its Chicago-based footprint.

“We are very excited to extend our presence in the Chicago area by adding a new office in the flourishing Fulton Market district,” said Koudounis. “Founder John Calamos and I are both native Chicagoans and we are committed to the growth and success of our city, especially as we move beyond the pandemic. We selected Fulton East in part because it was designed as one of the safest post-Covid office buildings in the country. Our new location in such a dynamic area of Chicago will be a showcase that will help position Calamos for the future.”
