

#### A MUTUAL FUND FOR A BRIGHTER FUTURE

Calamos Antetokounmpo Sustainable Equities Fund (SROIX) provides opportunities to invest in high-quality companies, primarily in the US, that contribute to a more sustainable world and improved conditions for humankind.

#### Seeking a better way to invest

We invest in high-quality companies that have strong financial metrics and seek to address nonfinancial risks related to governance, ecological impact and human development.

### **Authentic heritage**

The Fund is managed by a team that established and maintains one of the longest running ESG processes in the United States, consistently applied for more than 25 years.

## Seeking positive long-term societal and investment returns

We invest in companies that are realizing positive social and environmental benefits across market cycles. Also, SROI is part of a broader partnership that has committed to donating a portion of its profits to charity.

Index and Morningstar category data shown reflects full month periods only. If share class inception date is on or before the 15th of the month, the index or category calculation inception date begins on the first day of that month. If share class inception date is after the 15th of the month, the index or category calculation inception date begins on the first day of the following month.

Performance data quoted represents past performance, which is no guarantee of future results. Current performance may be lower or higher than the performance quoted. Please refer to Important Risk Information. The principal value and return of an investment will fluctuate so that your shares, when redeemed, may be worth more or less than their original cost. Performance reflected at NAV does not include the Fund's maximum front-end sales load of 4.75%. Had it been included, the Fund's return would have been lower. You can obtain performance data current to the most recent month end by visiting www.calamos.com.

<sup>1</sup>As of prospectus dated 1/27/2023.

<sup>1</sup>The Fund's investment advisor has contractually agreed to reimburse Fund expenses through April 30, 2026 to the extent necessary so that Total Annual Fund Operating Expenses of Class A shares, Class C shares and Class I shares are limited to 1.35%, 2.10% and 1.10% of average net assets, respectively. The Fund's investment advisor has contractually agreed to limit the Fund's annual ordinary operating expenses through April 30, 2026 for Class R6 shares (as a percentage of average net assets) to 1.10% less the Fund's annual sub-transfer agency ratio (the aggregate sub-transfer agency fees of the Fund's other share classes divided by the aggregate average annual net assets of the Fund's other share classes). For purposes of these expense limitations, operating expenses do not include taxes, interest, short interest, short dividend expenses, brokerage commissions, acquired fund fees and expenses, foreign tax reclaim expenses, and extraordinary expenses, if any. Calamos Antetokounmpo Asset Management LLC ("CGAM") may recapture previously waived expense amounts within the same fiscal year for any day where the respective share class's expense ratio falls below the contractual expense limit up to the expense limit for that day. This undertaking is binding on CGAM and any of its successors and assigns. This agreement is not terminable by either party.

Before investing, carefully consider the fund's investment objectives, risks, charges and expenses. Please see the prospectus and summary prospectus containing this and other information which can be obtained by calling 1-866-363-9219. Read it carefully before investing. Environmental, social and governance (ESG) is based on the premise of investing in companies that have good environmental records, are ethically run and have a positive social impact. Important risk information. An investment in the Fund(s) is subject to risks, and you could lose money on your investment in the Fund(s) will achieve its investment objective. Your investment in the Fund(s) will achieve its investment objective. Your investment in the Fund(s) is not a deposit in a bank and is not insured or guaranteed by the Federal Deposit Insurance Corporation (FDIC) or any other government agency. The risks associated with an investment in the Fund(s) can increase during times of significant market volatility. The Fund(s) also has specific principal risks, which are described below. More detailed information regarding these risks can be found in the Fund's prospectus.

The principal risks of investing in the Calamos Antetokounmpo Sustainable Equities Fund include: equity securities risk consisting of market prices declining in general, growth stock risk consisting of potential increased volatility due to securities trading at higher multiples, large-capitalization stocks as a group could fall out of favor with the market, small and mid-sized company risk, sector risk, portfolio turnover risk, and portfolio selection risk.

The Fund's ESG policy could cause it to perform differently compared to similar funds that do not have such a policy. The

The Fund's ESG policy could cause it to perform differently compared to similar funds that do not have such a policy. The application of the social and environmental standards of Calamos

Advisors may affect the Fund's exposure to certain issuers, industries, sectors, and factors that may impact the relative financial performance of the Fund—positively or negatively—depending on whether such investments are in or out of favor.

S&P 500 Index is generally considered representative of the US stock market.

Gross Margin refers to the difference between the total investment income generated by the fund (such as dividends, interest and capital gains) versus the total operating expenses. Market price refers to the price at which shares of the fund trade in the market.

PEG ratio is a stock's price/earnings ratio divided by the estimated earnings growth rate in the next year; a lower PEG indicates that less is being paid for each unit of earnings growth. Price/earnings ratio is the current stock price over trailing 12-month earnings per share.

month earnings per share.

ROE (return on equity) measures the profitability and efficiency of the fund's investments by comparing the net income generated to the total amount of shareholder equity invested.

ROIC (return on invested capital) measures how effectively a company uses the money invested in its operations, calculated as a company's net income minus any dividends divided by the company's total capital.
