In compliance with the USA PATRIOT Act, all financial institutions (including mutual funds) are required to obtain, verify, and record the following information for all registered owners or others who may be authorized to act on an account: **full name, date of birth, Social Security Number, and permanent street address. Corporate, Trust and other entity accounts require additional documentation.** This information will be used to verify your true identity. We will return your application if any of this information is missing, and we may request additional information from you for verification purposes. In the rare event that we are unable to verify your identity, the Fund reserves the right to redeem your account at the current day's net asset value.

- I/We already have other Calamos accounts.
- This is my/our first account with Calamos Family of Funds.

2. COST BASIS METHOD

The Cost Basis Method you elect applies to all covered shares acquired from January 1, 2012 forward and to all identically registered existing and future accounts you may establish, unless otherwise noted. The Cost Basis Method you select will determine the order in which shares are redeemed and how your cost basis information is calculated and subsequently reported to you and to the Internal Revenue Service (IRS). Please consult your tax advisor to determine which Cost Basis Method best suits your specific situation. If you do not elect a Cost Basis Method, your account will default to Average Cost.

Primary Method (Select only one)

- Average Cost — averages the purchase price of acquired shares
- First in, First Out — oldest shares are redeemed first
- Last in, First Out — newest shares are redeemed first
- Low Cost — least expensive shares are redeemed first
- High Cost — most expensive shares are redeemed first
- Loss/Gain Utilization — depletes shares with losses prior to shares with gains and short-term shares prior to long-term shares
- Specific Lot Identification — you must specify the share lots to be sold at the time of a redemption (This method requires you elect a Secondary Method below, which will be used for systematic redemptions and in the event the lots you designate for a redemption are unavailable.)

Secondary Method (Select only one)

- First in, First Out Last in, First Out Low Cost High Cost Loss/Gain Utilization

Note: If a Secondary Method is not elected, First In, First Out will be used.

6. SIGNATURE AND CERTIFICATION

All required authorized signers must sign this application before mailing it.

By signing this form, I consent to the "householded" delivery of any fund prospectus, shareholder report and other documents (other than transaction confirmations or account statements) that I must legally receive. This means that I and any other fund shareholder residing at my address believed by the Fund to be a member of my family will only receive a single prospectus/report at our address. This will not affect the delivery of my account statements or transaction confirmations.

Please check here if you do NOT consent to "householding" so each fund shareholder at your address will receive their own prospectus/report in the future.

I affirm that I have received a current prospectus of the Fund applied for and I agree to be bound by its terms. I certify that I have full authority and legal capacity to purchase shares of the Fund and to establish and use any related Privileges. I understand that the Telephone Redemption and Exchange Privileges will apply to my account unless I have specifically declined those Privileges in Section 4.B. of this application.

I understand that by signing the application, unless the Privileges are declined, I agree that neither the Funds nor their Transfer Agent, their agents, officers, trustees, directors or employees will be liable for any loss, liability or expense for acting on instructions given under the Privileges, placing the risk of loss on me. See the discussion of Telephone Privileges in the prospectus.

I authorize the firm/registered representative listed in Section 5 of this application to have access to my account and to act on my behalf with respect to my account.

I certify, under penalties of perjury, that (a) all information and certifications on the application are true and correct, including the Social Security or other tax identification number provided in Section 1 (Ownership Information) or, if none is shown, I certify that I have not been issued a number but have applied for one and (b) I am not subject to backup withholding as a result of either being exempt from backup withholding, not being notified by the IRS of a failure to report all interest or dividends, or the IRS has notified me that I am no longer subject to backup withholding. (Note: you must draw a line through clause (b) of the preceding sentence if you have been notified by the IRS that you are currently subject to backup withholding due to a failure to report all interest and dividends.) I further certify that I am a US Citizen (including a US Resident Alien) and that I am exempt from FATCA reporting. The IRS does not require your consent to any provision of this document other than the certifications required to avoid backup withholding. I agree that the Fund and its transfer agent may redeem shares and retain the proceeds from any of my account(s) with the Fund up to a total of (a) any IRS penalties attributable to my failure to provide either the Fund or its transfer agent with correct and complete information requested by them and (b) any tax not withheld from distributions to me which should have been withheld by them.

Your mutual fund account may be transferred to your state of residence if no activity occurs with your account during the inactivity period specified in your State's abandoned property laws.
